RULE 1007-2. MAILING - LIST OR MATRIX

(See also Standing Orders [SO20050526.pdf](#), [SO20020617.pdf](#), [SO20020501.pdf](#) and [SO20010301.pdf](#))

The mailing list shall be submitted on 8-1/2 inch x 11 inch size paper. The debtor is required to obtain from the Clerk of Court the most current version of the court document entitled **SPECIAL REQUIREMENTS FOR MAILING LIST MATRIX (Local Form No. 1)**. The mailing list matrix must fully comply with the specifications set forth in Local Form No. 1. The court may dismiss sua sponte any petition which is not accompanied by a mailing list matrix in compliance with the specifications set forth in Local Form No. 1.

(See also Standing Orders [SO20020901.pdf](#) and [SO20020401.pdf](#))

Bankruptcy petitions shall be assigned by the clerk to the division of the Bankruptcy Court which encompasses the county in which the debtor resides at the time of filing. For purposes of this rule the residence of a partnership shall be the county in which the principal business of the partnership is located, and the residence of a corporation shall be the county in which the corporation maintains its registered office.

A motion that hearings in a chapter 7 bankruptcy case be held in a division of the court other than the division to which the case is assigned shall be filed with the original petition. Such a motion filed after the date of appointment of a trustee may be granted only for good cause shown that outweighs the inconvenience of the trustee having to travel to a different division of the court to attend hearings in the case.

RULE 2002-1. NOTICE TO CREDITORS & OTHER INTERESTED PARTIES - GENERAL 10 DAY NOTICE REQUIREMENT

Unless the Federal Rules of Bankruptcy specifically state otherwise, any notice of hearing shall include a certificate of service indicating that each party served has been given at least 10 days' notice of the hearing date. At the discretion of the court, emergency matters may be heard on less than 10 days' notice when accompanied by a motion to shorten the time provided by this rule.

In chapter 11 cases, with the exception of the notice of the meeting pursuant to 11 U.S.C. § 341, noticing shall be the responsibility of the debtor in possession or the attorney for the debtor in possession or, if a trustee has been appointed, the trustee or the attorney for the trustee.

RULE 2016-1. COMPENSATION OF PROFESSIONALS - REQUIREMENTS - SUPPLEMENTAL FEE APPLICATIONS

Supplemental fee applications shall, in the same manner as original fee applications, contain all the information required by Rule 2016 of the Federal Rules of Bankruptcy Procedure.

RULE 3001-1. CLAIMS AND EQUITY SECURITY INTERESTS - GENERAL

Each proof of claim, with supporting documents evidencing the claim and the perfection of a security interest, if any, shall be submitted in duplicate, one original copy, complete with supporting documents, for the court case file, and one conformed copy, complete with supporting documents, for the trustee's case file. The original copy, which must bear the original signature of the claimant, shall be retained by the clerk in the court case file. The conformed copy, which may bear a photocopy of the claimant's signature, but which otherwise shall be complete in all respects with supporting documents, shall be forwarded by the clerk to the trustee.

The trustee shall examine and object to any defective or insufficiently documented claim, if any useful purpose would be served thereby.

Upon request, the Clerk of Court shall provide claimants with instructions for filing proofs of claim.

The requirements for filing in duplicate and documenting proofs of claim apply with equal force to any proof of an equity security interest in a debtor corporation.

RULE 3002-1. CLAIM - PROOF OF BY CREDITOR HOLDING A SECURED CLAIM IN CHAPTER 13 CASE

A proof of claim in conformity with Local Rule 3001-1 by or on behalf of a creditor, including a creditor holding a secured claim, other than a claim secured by an interest in real estate, must be filed in a chapter 13 case before the debtor or trustee may make payments to such creditor in accordance with the plan. Proof of a secured claim filed after the expiration of the time fixed by Rule 3002(c) of the Federal Rules of Bankruptcy Procedure for filing claims shall be allowed only to the extent of the value of the collateral securing the claim.

RULE 3003-1. CLAIMS - CHAPTER 11 CASE

Unless the court for cause shown orders otherwise, the cutoff date for filing unsecured claims or claims scheduled as disputed, contingent, or unliquidated in a chapter 11 case shall be the date of the order approving the disclosure statement.

RULE 3009-1. DIVIDENDS - CHAPTER 7 ASSET CASES - DEADLINE FOR AMENDING CLAIMS

When estate funds are available in a chapter 7 case for payment of a dividend to creditors holding allowed unsecured claims, the deadline for filing an amended claim for any deficiency remaining after the liquidation of collateral or for requesting an extension of time within which to file an amended claim shall be the date of the final hearing on applications for compensation or, in divisions other than the Lexington division, if applications for compensation are filed on a notice and opportunity basis, such deadline shall be the last date for objecting to such applications for compensation in accordance with the notice. No dividend shall be paid on an amended claim filed after that date by a creditor who did not timely request an extension of time within which to amend the claim.

RULE 3015-1. CHAPTER 13 - PLAN - SERVICE OF PLAN

(See also Standing Orders [SO20000801.pdf](#), [SO20051017Plan.pdf](#), and [SO20080307.pdf](#))

A modified chapter 13 plan shall be served upon all creditors and parties in interest and shall be accompanied by a

certificate of service in the same manner as the original plan. The modified plan and the order confirming a modified plan shall identify the plan as the First, Second, etc. Modified Plan Dated _____.

RULE 3015-3. CHAPTER 13 - CONFIRMATION

(See also Standing Orders [SO20000801.pdf](#), [SO20051017Plan.pdf](#), and [SO20080307.pdf](#))

(a)(1) Objections to Confirmation. An objection to confirmation of a chapter 13 plan is governed by Rule 9014 of the Federal Rules of Bankruptcy Procedure. Such objection shall be filed with the court not later than 10 days prior to the hearing on confirmation of the plan, shall be served upon the debtor, the attorney for the debtor and the chapter 13 trustee, and shall be noticed for hearing at the hearing on confirmation of the plan. An objection by a creditor to the recommendation of the chapter 13 trustee as to the allowed amount of the secured claim of such creditor may be presented at the hearing on confirmation of the plan.

(2) Hearing on Confirmation. The court shall rule on confirmation of a chapter 13 plan after hearing on notice to the debtor, the attorney for the debtor, and all creditors, including creditors holding secured claims, and any creditor who has timely filed an objection to confirmation of the plan. Notice of the hearing on confirmation of a chapter 13 plan may be combined with the notice of the meeting of creditors given pursuant to Rule 2002 of the Federal Rules of Bankruptcy Procedure. If no objection is timely filed, the court, without hearing evidence, may find that the plan has been proposed in good faith and not by any means forbidden by law.

(b) Order of Confirmation. The order of confirmation of a chapter 13 plan shall conform substantially to Form No. 4 and a copy of the order shall be served promptly upon the debtor or the attorney for the debtor, the chapter 13 trustee, and any creditor who timely filed an objection to confirmation of the plan.

RULE 3017-1. DISCLOSURE STATEMENT - APPROVAL

In a chapter 11 case the proponent of a disclosure statement and plan shall prepare and submit an order setting the date of the hearing for consideration of the disclosure statement.

The order shall fix a cutoff date for filing objections to the disclosure statement which ordinarily shall be five days in advance of the date of the hearing for consideration of the disclosure statement.

The order may indicate the cutoff date as fixed by E.D. Ky. LBR 3003-1 for filing unsecured claims or claims scheduled as disputed, contingent, or unliquidated.

The proponent of the disclosure statement and plan shall cause copies of the order setting the hearing for consideration of the disclosure statement to be served upon the debtor, creditors, equity security holders and other parties in interest as provided in Rule 2002 of the Federal Rules of Bankruptcy Procedure and along with the order shall mail copies of the disclosure statement and plan to the parties specified in Rule 3017(a) of the Federal Rules of Bankruptcy procedure.

RULE 3020-1. CONFIRMATION OF CHAPTER 11 PLAN - HEARING ON

The proponent of a disclosure statement and plan shall prepare and submit an order setting the date of the hearing on confirmation of the plan.

The order shall fix a cutoff date for filing objections to confirmation of the plan which ordinarily shall be ten days prior to the date of the hearing on confirmation of the plan.

The order shall fix the time within which holders of claims or interests may accept or reject the plan which ordinarily shall be fifteen days in advance of the hearing on confirmation of the plan.

The proponent of the plan shall cause a copy of the order setting the hearing on confirmation of the plan along with the disclosure statement and plan and a ballot conforming to the appropriate Official Form for acceptance or rejection of the plan to be served by mail upon all creditors and equity security holders entitled to vote on the plan, and the United States Trustee, as directed by Rule 3017(d) of the Federal Rules of Bankruptcy Procedure.

RULE 4001-1. AUTOMATIC STAY - RELIEF FROM

Rule 9014 of the Federal Rules of Bankruptcy Procedure mandates that relief from stay be requested by motion. The motion shall be styled in the same manner as the bankruptcy case and not as an adversary proceeding. A request for relief from stay appearing in the context of a complaint commencing an adversary proceeding, or in an

answer, counterclaim, cross-claim, intervening complaint or third party complaint filed in such a proceeding, unless also requested by separate motion filed in the related bankruptcy case, shall be deemed as consent for the stay to remain in effect until final disposition of the adversary proceeding.

A motion for relief from stay pursuant to section 362(d) of the Bankruptcy Code with respect to an interest of the movant in property (of the estate or of the debtor) shall conform substantially to Form No. 5, with such alterations as may be appropriate to suit the circumstances. The motion shall be accompanied by --

(1) a proof of claim with supporting documents establishing the perfected security interest or other interest of the movant in property that is the subject of the motion; and

(2) a certificate of service indicating that parties in interest have been served in a manner provided by Rule 7004 of the Federal Rules of Bankruptcy Procedure with a copy of the motion and the documented proof of claim.

In a chapter 7, chapter 12, or chapter 13 case service shall be made upon the debtor, counsel for the debtor, and the trustee. In a chapter 11 case service shall be made upon the debtor in possession, counsel for the debtor in possession, or if a trustee has been appointed, upon the trustee and counsel for the trustee. Service also shall be made upon counsel employed by a committee or alternatively upon each member of the committee. In a chapter 11 case in which a committee has not been appointed service shall be made upon the creditors on the list filed pursuant to Rule 1007(d) of the Federal Rules of Bankruptcy Procedure and the United States Trustee.

A motion for relief from stay pursuant to section 1201 or 1301 of the Bankruptcy Code shall be served upon the codebtor as well as upon the debtor, counsel for the debtor, and the trustee. The motion shall be accompanied by a proof of claim with supporting documents evidencing the signature of the codebtor.

A motion for relief from stay for the purpose of pursuing a cause of action against the debtor, i.e., an action for damages for which an insurance carrier may be liable, shall set out in detail relevant information concerning the action.

An order granting relief from stay may be entered without an actual hearing unless a party in interest responds and requests a hearing within the time fixed in the motion, which shall be not less than 15 days from the date of service of the motion, plus the additional three days allowed by Rule 9006(f) of the Federal Rules of Bankruptcy Procedure when service is by mail. The response and request for a hearing shall state the grounds for opposition to the motion and shall give notice of the place, time and date of the hearing thereon, which unless otherwise agreed by the parties or ordered by the court for cause shown, shall be not later than 30 days after the date the motion for relief from stay was filed with the court. The hearing on the response may be treated as a preliminary hearing on the motion for relief from stay and the stay may be continued in effect for the limited time permitted by title 11 U.S.C. § 362(e) pending conclusion of the final hearing.

An agreed order granting relief from stay will not be entered by the court unless the party to be accorded relief has filed a proof of claim with supporting documents establishing the perfected security interest or other interest of the party in the property that is the subject of the agreed order.

RULE 4001-2. USE OF CASH COLLATERAL, OBTAINING CREDIT AND STIPULATIONS RELATING TO SAME

(created by Standing Order [SO19991229.pdf](#))

(a) A motion for use of cash collateral, for authority to obtain credit, or a stipulation relating to same shall set forth the total dollar amount of the request for use of funds, the specific uses to which the funds will be put, the debtor's proposed budget for the use of the funds, the amount of debt asserted to be owed to any creditor claiming an interest in the collateral, the value of the collateral which secures the creditor's asserted interest, and any proposal for providing adequate protection. If the debtor seeks authority to use cash collateral or to obtain credit on an emergency or expedited basis, the debtor shall state the nature of the emergency requiring an expedited hearing and determination. The motion shall be accompanied by copies of all documents, evidencing perfection, by which the interest of any entity claiming an interest in the cash collateral was created or perfected.

(b) A motion for use of cash collateral, for authority to obtain credit, or a stipulation relating to same shall be served on all creditors who assert an interest in the cash collateral and their attorneys, if known, any taxing authority that has a claim against the debtor, the debtor's twenty (20) largest unsecured creditors, the members of any

committee appointed in the case and counsel to any committee, any parties who have filed a request for service of all pleadings and notices and the United States trustee.

(c) Subject to section (d), the following provisions contained in an agreement between the debtor and the holder of a secured claim as to use of cash collateral, obtaining credit, or adequate protection, or any order approving or authorizing the use of cash collateral, obtaining credit, or adequate protection, shall be unenforceable:

- (1) any acknowledgment of the validity, amount, perfection, priority, extent or enforceability of the secured claim, if the agreement or order purports to bind any party other than the debtor;
- (2) any releases of liability for the creditor's alleged prepetition torts or breaches of contract, waivers of avoidance actions or waiver of defenses by the debtor or estate representative;
- (3) any postpetition lien which purports to secure any claim of a secured creditor other than (i) a claim arising from postpetition advances which constitute an additional nonreplacement extension of credit; or (ii) a claim representing the diminution in value of the secured claim after the commencement of the case;
- (4) any grant of a security interest in avoidance power recoveries available to the trustee; or
- (5) any provision granting a creditor relief from the automatic stay without further order or hearing upon the breach of the cash collateral, adequate protection or postpetition financing order or agreement.

(d) Notwithstanding section (c), the Court may order the enforcement of any terms and conditions on the use of cash collateral or obtaining credit, provided that (i) the proposed order or agreement specifically states that the proposed terms and conditions vary from the requirements of section (c), and (ii) any such proposed terms and conditions are conspicuously and specifically set forth in the proposed agreement or order

FORM NO. 1 (Revised 4/97)
UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF KENTUCKY

SPECIAL REQUIREMENTS FOR MAILING LIST MATRIX
(See E.D. Ky. LBR 1007-2)

TO THE DEBTOR(S) AND THE ATTORNEY FOR DEBTORS(S), IF ANY:

The debtor shall prepare and submit to the Court, at the time the petition is filed, a mailing list matrix which complies with the computerized noticing guidelines contained herein. The accuracy and completeness of this creditor listing shall be the total responsibility of the debtor and the debtor's attorney. Failure to comply may cause the petition to be dismissed. The Court shall rely upon the mailing list matrix for all mailings. This mailing list matrix is required in addition to the various schedules required by Rule 1007 of the Federal Rules of Bankruptcy Procedure.

In order to ensure that the mailing list matrix or amendments you file can be properly read by the Optical Character Reader (OCR) currently used by the Court, we ask that you observe the following guidelines. Your cooperation is

essential in helping us make improvements in our existing system and to better serve the public.

1.0 FORMAT AND REQUIREMENTS FOR MAILING LIST MATRIX

(A) Filing Requirements - A mailing list matrix (see Attachment No. 1) is required whenever the following occurs:

- (1) A new chapter 7, 11, 12 or 13 petition is filed.
- (2) A case is converted to a chapter 7, 11, 12 or 13 after August 1, 1991. (See Section C on conversions to determine if a partial or complete matrix is required)
- (3) An amendment to a case under chapter 7, 11, 12 or 13 is filed after August 1, 1991, which adds, deletes or changes creditor address information on the debtor's Schedule of Debts and/or Schedule of Equity Security Holders.

(B) Matrix Format Requirements - All matrices must comply with the following:

- (1) Characters should be a standard block-style type (ex. Courier or Times Roman). Type should NOT be proportional, italic, bold or exotic. Letters should not be touching each other and characters should be a minimum of 10 pitch.
- (2) Lists shall be typed in a single column on the page rather than in two or three columns. See Attachment No. 1. Lists must be typed so that no address is closer than 2" from any edge of the paper (top, bottom, left or right).
- (3) Addresses must be single spaced and each name/address must consist of no more than five (5) total lines, with at least two (2) blank lines between each of the name/address blocks. Entire ZIP codes must be located on the same line as city and state. No address information should be typed below the ZIP code.
- (4) To comply with postal regulations, names and addresses should not contain any punctuation other than hyphens.
- (5) All states must be two-letter abbreviations. Example: correct = KY; wrong = Kentucky. Do NOT use punctuation within the two-letter state abbreviations (Ex. N.D. would be incorrect). Do NOT use abbreviations for city names. (Ex. Phila. for Philadelphia).
- (6) Each line must be 40 characters or less in length.
- (7) ALL CREDITORS ARE TO BE IN ALPHABETICAL ORDER. DO NOT DUPLICATE NAMES AND ADDRESSES. Entities with more than one (1) address may be listed as many times as necessary to assure proper notice.
- (8) Do NOT include the following entities since they will be retrieved automatically by the computer for noticing:
 - * Debtor
 - * Joint Debtor
 - * Attorney for the Debtor(s).
- (9) Do NOT use a dot matrix printer.

(C) Converted Cases

- (1) For cases filed prior to June 1, 1983, and subsequently converted after August 1, 1991 to a chapter 7, 11, 12 or 13, ALL creditors must be listed on the mailing list matrix.

(2) For cases filed after June 1, 1983 and then converted after August 1, 1991 to a chapter 7, 11, 12 or 13, only postpetition creditors need be listed on the mailing list matrix. The matrix and verification must be filed with the conversion petition.

(D) Amendment to Schedule of Debts and/or Schedule of Equity Security Holders

(1) A separate matrix page is required for creditors being "added", a separate page for those being "deleted", and a separate page for those which require "correction". Indicate on the REVERSE side of each matrix page which category that particular page belongs in.

(2) The matrix with Verification is a document separate from the amended schedules and may not be used to substitute for any portion of the schedules. IT MUST BE SUBMITTED WITH THE AMENDMENT.

(E) Avoiding Problems

Although the court is using sophisticated equipment and software to ensure accuracy in creditor list reading, certain problems may still occur. By following these guidelines, you will avoid delays in the initial processing of your bankruptcy petition.

The following problems can result in your lists being improperly read by the optical scanner, requiring you to resubmit your creditor list in an acceptable form.

- (1) Extra marks on the list - such as letterhead, dates, debtor name, coffee stains, handwritten marks.
- (2) Non-standard paper such as onion skin, half-sized paper, or colored (i.e., yellow, blue, etc.) paper; some recycled paper (if the print bleeds a little).
- (3) Poor quality type caused by submitting a photocopy or a carbon copy, using an exhausted typewriter ribbon, or using a typewriter with a fabric ribbon.
- (4) Unreadable type faces or print types such as proportionally-spaced fonts, dot-matrix printing, or exotic fonts (such as Olde English or Script).
- (5) Incorrect typewriter settings will cause unreadable lists. Make certain that your typewriter is set for 10 pitch if you are using a 10-pitch type style.
- (6) Stray marks should be avoided. Do NOT type lines, debtor name, page numbers, or anything else on the front of a creditor list. Any identifying marks you choose to add can be typed on the back of the list.
- (7) Nine-digit ZIP codes should be typed with a hyphen separating the two groups of digits. Do NOT type "attention" lines or account numbers on the last line. If needed, this information must be placed on the second line of the name/address. Account numbers may not exceed 15 characters. (The entire ZIP code must be at the end of the same line as the city and state in order for the U.S. Postal ZIP code sorting equipment to find it.) Except, if the ZIP code is a 9-digit ZIP code, it can be on the last line by itself.
- (8) Be sure to type the number "1" (one) rather than the lower case letter "l" (L) when using numerics.

(F) United States Attorney

When listing an indebtedness to the United States for other than taxes, the debtor shall include both the United States Attorney and the federal agency through which the debtor became indebted. The name and address of the United States Attorney must include, in parentheses, the name of the federal agency. For example:

United States Attorney
(For Department of Education)
PO Box 3077
Lexington, KY 40596-3077
