

**UNITED STATES BANKRUPTCY COURT  
EASTERN DISTRICT OF KENTUCKY**

**GENERAL ORDER RE: Changes to Notice Obligations in Fed. R. Bankr. P. 2002 Effective 12/01/2020**

Federal Rule of Bankruptcy Procedure 2002(f)(7) was amended to require notice of an order confirming a chapter 13 plan consistent with the existing service requirements for orders confirming a chapter 9, 11, or 12 plan. It is therefore ORDERED that the last sentence of KYEB Local Bankruptcy Rule 3015-3(c) is deleted and the following shall control: "Unless served electronically by the ECF System, a copy of the order of confirmation must be served promptly by the chapter 13 trustee in accordance with the FRBP."

Federal Rule of Bankruptcy Procedure 2002(h) was amended to allow courts to limit notice for certain matters to creditors that file timely proofs of claim in chapter 12 and chapter 13 cases, consistent with the existing exception in chapter 7 cases. A court must affirmatively act to allow limited service pursuant to Rule 2002(h). It is therefore ORDERED that the limitations on service set forth in Federal Rule of Bankruptcy Procedure 2002(h) shall apply in the Bankruptcy Court for the Eastern District of Kentucky.
