NOTICE REGARDING TELEPHONIC HEARINGS

1. Telephonic hearings are not conducive to matters that require extensive legal arguments or fact presentations. This is particularly true when parties may want an opportunity to reply to any counterargument. Therefore, any legal argument over the telephone will not exceed a few minutes, unless otherwise allowed.
2. The party that appears by phone bears the risk of a failure of technology, whether hardware, software or even human error.
3. This telephonic appearance is allowed for this case and the listed hearing date and shall not apply to future hearings in this or any related matter.
4. Refer to <https://www.kyeb.uscourts.gov/telephonic-hearing-instructions>.
